GUIDELINES

MORE-INFO

Dear Student,

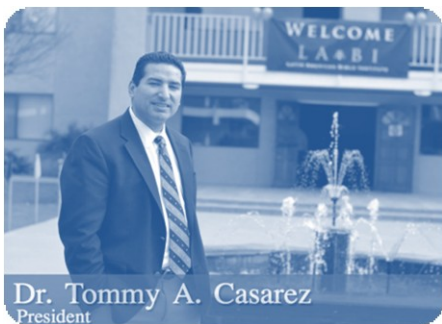

It's a new season, a new day, and an entirely new generation of students @ LABI. God is doing something great at every level in the Latino church by raising up a whole new generation of Latino leadership for a new generation of ministry! Come join us and be a part of the next generation of leadership that is going to take the ministry and work of the Lord to a "hol nutha level" for the honor and glory of God!

We invite you to join us for our annual **COLLEGE DAYS** event, which will give you a chance to explore what it means to be a student @ LABI. During College Days you will participate in various activities that will help you understand your purpose in life as you continue to grow as a leader in the Kingdom of God. When you come to campus, be prepared to hear powerful student testimonies, meet our awesome faculty, enjoy our new and improved facilities, and take the first step towards becoming the next generation leader God has called you to be.

As the newly appointed President of LABI, I welcome you in advance and look forward to meeting you. At LABI, students matter most because they matter most to God. We strongly believe that God intends to launch you into your God-given destiny, and the time to prepare for your destiny is today!

Equipping the next generation of Latino leaders,

Rev. Tommy A. Casarez, PhD
President
