James; I and II Peter; I, II, III John; and Jude are studied in relation to their content, interpretation, distinctive teaching, and significance to the canon of the New Testament.

### **MIN270 A Spirit Empowered Church: An Acts 2 Model (3)**

A biblical, comprehensive, and strategic plan requires the empowerment of the Spirit to produce spiritual fruit and a flourishing church. The strategic plan is based on Acts 2 and focuses on developing Spirit-empowered disciples who will be involved in five functions found there: connect, grow, serve, go, and worship. Assessment tools are used to identify areas where changes are needed, and the strategic plan is used to focus on God's vision for each local church.
